1. Minutes of the last meeting

These were read and agreed. Mr Eaton praised the School Council for the success of the Harvest of Talents, raising £1001 for the Oxfam Yemen Appeal.

2. Sport Relief 9-13th March

School Council looked at the Sports Relief fundraising pack and discussed different ideas for fundraising such as:

- wearing sports kit, or dressing up as their sporting hero/heroine, on Friday 13th March for a small donation,
- a sponsored fitness activity,
- the sale of Sports Relief wristbands,
- a sponsored mindfulness activity
- a tournament between classes where tickets are sold or sponsors found
- completing a Sport Relief mile

Following a vote the council decided to amalgamate three ideas: wearing sports kit for a donation on Friday 13th March, selling wrist bands and completing a Sport Relief Mile challenge.
