Newsletter 6 – 10th January 2020

Dear Mums, Dads and Carers,

Happy New Year! I would like to start by looking back at December. All of the performances and services were excellent and thank you for attending our festive events. I would also like to congratulate Sapphire Class for having the best attendance in school during the last term, with an excellent average of 97.2%. All of the children in Sapphire Class have earned an extra playtime.

I would also like to invite Year 6 parents to the premiere of our anti-bullying film that we made with a charity called Children's World. The premiere will be on this coming **Monday 13th from 3.20-3.30** in Ruby Class and I would be very happy to answer any questions about how we deal with bullying and aim to prevent it as much as is possible. The film will be used by the whole-school to show what bullying is, how it feels and to use it as a tool to discuss how to deal with any instances of bullying.

The children have come back enthusiastically after the break and school has had a cheerful and purposeful atmosphere. Please do continue to support and encourage your children with home reading and also TT Rockstars in Maths as there will be some class battles next week.

Thank you for your continued support and please do catch or contact me if you ever have any questions or queries.

Best wishes

Steve Gumm

Lost Property

As you can see there was a lot of lost property left at the end of last term – it took Mrs Townsend quite a while to sort through. We have now recycled what was left after managing to give some back to the children.

Please ensure all items are named.

Please check the box regularly if your child has lost something. Thanks
