Little Gems Nursery Class @ St Keyna Primary School

A WORD ABOUT OUR PRIMARY SCHOOL

St Keyna Primary School was rated Good with Outstanding Features : Early Years provision, Behaviour, Personal Development and Pupil Welfare by Ofsted in April 2016. Little Gems Nursery Class is situated next to the Reception Class and the children have opportunities to work and play together. The Foundation Stage has its own playground with wooded area for the children to use. The tree-house, muddy kitchen, ducks and guinea pigs are firm favourites. The school is well equipped with a large hall, its own kitchen where tasty school meals are prepared, a library with ICT suite , gardens and sports pitches.

Little Gems Nursery Class @ St Keyna Primary School

"Children get off to a flying start with their learning." Ofsted 2016

Little Gems Nursery Class

Head Teacher: Adrienne Hughes

Little Gems Nursery Class

Our Nursery Class is a purpose built facility in a bright, modern building complete with fabulous grounds to explore. Little Gems is led by a qualified teacher who is supported by fully trained teaching assistants.

Children can usually join the nursery from the term in which they become three years old.

There are morning (9-12am) and afternoon (12-3pm) sessions each day.

Children may also attend our breakfast club which operates from 7.30 am.

Currently children can attend up to five sessions per week (totalling 15 hours), with the flexibility to combine half sessions into whole days and purchase extra sessions and lunch. Where parents/carers are eligible we can also offer 30 hours of free nursery provision per week.

"Early Years provision is outstanding. Children were seen skipping to school and almost running into the classroom, beaming and eager to learn."
Ofsted 2016

THE EARLY YEARS FOUNDATION STAGE (EYFS)

Our Foundation Stage curriculum is designed especially for children in our Nursery and Reception classes.

We believe young children need to learn both indoors and outdoors and we get out in the fresh air as much as we can. We love to get messy and take part in Forest School activities!

Learning takes place through a variety of activities designed to motivate children to develop their sense of curiosity and learn whilst having lots of fun.

"EYFS children demonstrate high levels of concentration, thinking and perseverance"
Ofsted 2016

"Close partnerships with parents & carers ensure that children have a seamless start to school."
Ofsted 2016

"My child has learnt so much going to Little Gems. She has learnt to play, share, make friends and express herself. She has also learnt about traffic lights, castles and ducklings ! "
